

Arrowhead Republican Women

Caring for America Collection Drive

March, April, May 2023 Meetings

Join us in donating non-perishable food items to fill food boxes provided to Hopi Villages in northeast Arizona, supporting over 8,100 people in 12 villages. Many areas of the Hopi lands do not have running water or electricity. Hopi Relief began as a grass-roots effort by Hopi family members providing aid to the tribal community during the pandemic in 2020. It is now a 501(c)3 and supports their community in many ways. Hopi Relief is currently working to establish the first-ever permanent food pantry on the Hopi Reservation.
